BEST REEL COMPETITION

Theme: Medication Safety through Technology

About the Competition

Showcase your creativity and innovation by making a short reel highlighting how technology improves medication safety, prevents errors, and promotes better patient outcomes. Bring your ideas to life in a fun and impactful way!

Objectives

- Raise awareness on medication safety
- Highlight technology-driven solutions
- Encourage innovation in healthcare
- Inspire safe medication practices

Reel Theme & Focus Areas

Medication Safety Through Technology – focus on:

- Electronic prescribing & decision support
- AI & automation in medication error detection
- Barcode medication administration
- Smart infusion pumps
- Tele pharmacy & mobile health apps
- Innovative tools for medication adherence

Submission Guidelines

- Duration: 60–90 seconds
- Format: Vertical video
- Language: English
- Original Content: No plagiarism or copyrighted materials
- File Format: MP4
- File Name Format: Team Name, Institution & Reel Title
- Team Size: 1–3 participants
- Submission Link: managerquality@simshospitals.com

Important Dates

- Submission Deadline: 30th March 2026
- Result Announcement: During Workshop Valedictory Session

EVALUATION CRITERIA

Criteria	Weightage
Relevance to Theme	20%
Creativity & Innovation	20%
Clarity of Message	15%
Technical Accuracy	15%
Visual Appeal & Editing	15%
Impact & Awareness Value	15%

Awards & Recognition

- Best Reel
- Runner-Up
- Certificates for all participants
- Winning reels featured on official workshop platforms

Show your creativity, gain recognition, enhance your professional portfolio, and contribute to safer healthcare practices.

Let your reel make medication safety smarter through technology!
